## **PROGRAM DESCRIPTION**

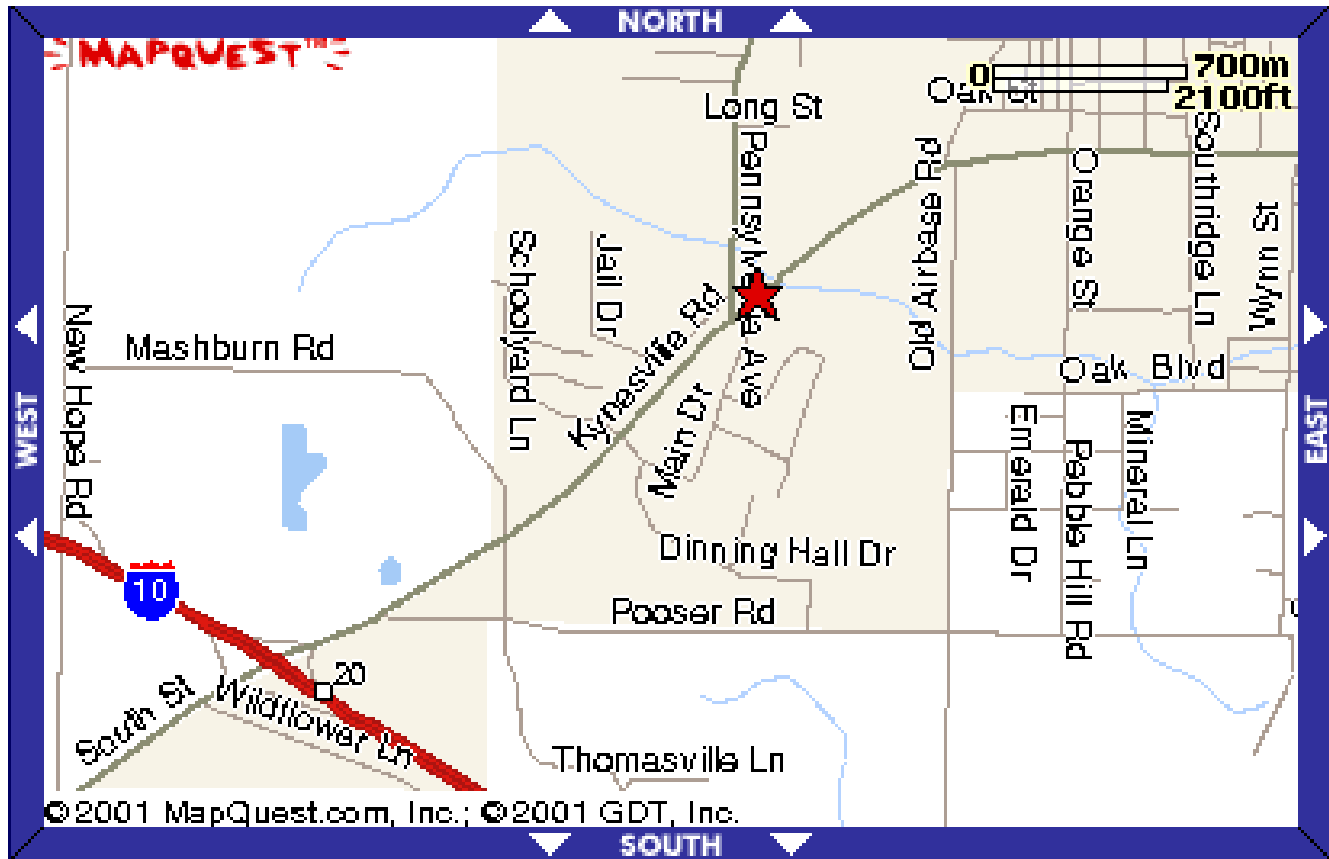

Jackson Juvenile Offender Corrections Center (JJOCC) is located on the campus of Dozier School for Boys, near the City of Marianna, in Jackson County. It is a staff and hardware secure, Level 8, state operated facility for males. The average length of stay is from 9 to 12 months. The program has two co-located component parts. Jackson High Risk has 63 beds and Jackson Sex Offender Program has 33 beds. The program offers social skills training, health services, independent living and victim awareness training. The educational services and programming is provided by Washington County School System. Florida State University's Specialized Treatment Program provides the Sex Offender Program's treatment modality. The Sex Offender Program emphasizes group and individual treatment concepts.

**Contract Provider: State Operated**  
**Operating Capacity: 96     Serves Ages 13 - 19**
